1 DAY AWARENESS TRAINING PROGRAMME CLASSROOM & DISTANCE LEARNING COURSE

Dear Sir,

As is widely known, **International Institute of Technology (IIT)** conducting various technical courses inviting interested personnel/technocrats for enhancing & fine-tuning of the skill.

International Institute of Technology (IIT) organizing **one day Awareness Training Program on Technology** Classroom & online Training course.

a) INTRODUCTION

The **International Institute of Technology (IIT)** is organizing a **One-Day Awareness Training Program on Technology** to enhance participants' understanding of emerging technologies and their impact on education, industry, and society. The program is designed to provide a comprehensive overview of current technological trends, including Artificial Intelligence (AI), the Internet of Things (IoT), Cloud Computing, Cybersecurity, Data Analytics, Automation, and Digital Transformation. Through expert lectures, interactive sessions, and real-world case studies, participants will gain valuable insights into how technology is driving innovation, improving productivity, and creating new career opportunities. This program is ideal for students, educators, professionals, entrepreneurs, and technology enthusiasts who wish to stay informed about the latest technological advancements and prepare for the rapidly evolving digital world.

b) OBJECTIVE OF THE COURSE:

The objective of the **One-Day Awareness Training Program on Technology** is to provide participants with a fundamental understanding of modern and emerging technologies and their applications across various industries. The program aims to create awareness of technological advancements such as Artificial Intelligence (AI), the Internet of Things (IoT), Cloud Computing, Cybersecurity, Data Analytics, Automation, and Digital Transformation. It seeks to enhance participants' knowledge, encourage innovation, improve digital literacy, and inspire them to adopt technology-driven solutions for education, business, research, and professional development. The program also aims to prepare participants for future career opportunities by promoting a technology-oriented mindset and lifelong learning.

c) COURSE CONTENTS:

- Introduction to Modern Technology and Digital Transformation
- Emerging Technologies and Industry Trends
- Artificial Intelligence (AI) and Machine Learning (ML) Fundamentals
- Internet of Things (IoT) and Smart Applications
